DILUTED PRODUCT

All Kleen Stetcosolve

2-butoxy ethanol
CAS #111-76-2
Sodium hydroxide
CAS #1310-73-2

HAZARD STATEMENT

Harmful if swallowed or in contact with skin. Causes skin irritation. May be corrosive to metals.

PRECAUTIONARY STATEMENTS

Keep only in original packaging. Wash exposed skin and face thoroughly after handling. Rinse mouth. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing and eye safety protection. Call a Poison Center/medical professional if you feel unwell. Immediately remove all contaminated clothing and wash before reuse. Rinse skin and affected areas with plenty of soap and water/shower. Rinse eyes cautiously with water for several minutes. Remove contact lenses if easy to do. Continue rinsing. If skin irritation occurs, get medical advice/attention. Absorb spillage to prevent material-damage. Store in a corrosion resistant container or a container with a corrosion-resistant inner liner. Dispose of contents/container in accordance with local/state/federal and international regulations. Offer surplus and non-recyclable solutions to a licensed disposal company.

FIRST AID

SWALLOWED: Harmful if swallowed. Rinse mouth. **DO NOT** induce vomiting. Call an emergency medical professional. **SKIN:** Remove contaminated clothing and wash before reuse. Rinse affected areas with plenty of soap and water/shower. If skin irritation occurs, get medical attention. **INHALED:** Remove person to fresh air and keep comfortable for breathing. **EYES:** Rinse carefully with water for several minutes. Remove contact lenses, if easy to do. Continue rinsing.
