See original concentrate package label for precautionary statements, directions for use, and first aid information. Complete product safety and health information is available on the Safety Data Sheet, accessible on our website.

READY - TO - USE

Oxy-D

DANGER

Hydrogen Peroxide CAS #7722-84-1
D-Limonene CAS #5989-27-5

HAZARD STATEMENT

May intensify fire; oxidizer. Causes skin irritation. Toxic to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep away from clothing and other combustible materials. Wash skin/clothing thoroughly after handling. Wear protective gloves/protective clothing and eye safety protection. If on skin, take off all contaminated clothing immediately. Rinse skin and affected areas with plenty of soap and water or shower. Wash contaminated clothing before reuse. If skin irritation occurs, get medical advice/attention. In case of fire, use dry chemical, CO₂, alcohol resistant foam, or water spray to extinguish. Avoid release to the environment. Collect spillage. Dispose of contents/container in accordance with local/state/federal and international regulations. Offer surplus and non-recyclable solutions to a licensed disposal company.

FIRST AID

SWALLOWED: Harmful if swallowed. Rinse mouth. DO NOT induce vomiting. Call an emergency medical professional. **SKIN:** Remove contaminated clothing and wash before reuse. Rinse affected areas with plenty of soap and water/shower. If skin irritation occurs, get medical attention. **INHALED:** Remove person to fresh air and keep comfortable for breathing. **EYES:** Rinse carefully with water for several minutes. Remove contact lenses, if easy to do. Continue rinsing.
