

M.D. STETSON

SHOWERS PLUS

A heavy duty cleaner and deodorizer for use in automated cleaning machines for restrooms and shower rooms. Can also be used manually. Non-corrosive to chrome fixtures. Non-fuming. Excellent for use on porcelain, vitreous enamel, shower room fixtures, sinks, toilet bowls, urinals, metal fixtures, drinking fountains, glass, copper, brass, chrome, nickel, and stainless steel. Easily removes soap film, lime and algae deposits.

DIRECTIONS FOR USE:

1. Spray onto showers, toilets and urinals, sinks, and other restroom surfaces.
2. Scrub as necessary.
3. Rinse surface clean.

Follow your automated cleaning machine manufacturer's instructions on proper dispensing settings. If used manually, use the following recommended dilution rates:

- Light soil: 1-2 ounces/gallon
- Medium soil: 4-6 ounces/gallon
- Heavy soil: 9-12 ounces/gallon
- Shock treatment: 21-24 ounces/gallon

Please refer to Stetson's "Catch the Training" Restroom Care training guide for detailed instructions.

SPECIFICATIONS:

- pH as supplied..... <1.0
- pH at use dilution 1.9-2.3
- weight/gallon 9.05 lbs.
- color transparent blue
- odor wintergreen added
- storage stability 2 years unopened

HAZARD STATEMENT

Causes severe skin burns and eye damage

PRECAUTIONARY STATEMENTS

Avoid breathing mist or spray. Wash skin thoroughly after handling. Wear eye protection and protective gloves. For contact with skin, immediately remove all contaminated clothing and wash before re-use. Rinse skin with water. For contact with eyes, rinse carefully with water for several minutes. Remove contact lenses if easy to do. Continue rinsing. For inhalation, remove person to fresh air and keep comfortable for breathing. For ingestion, rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER. Store in secured area. Keep in original package or store in a corrosion-resistant container with a corrosion-resistant lining. Dispose of contents/container in accordance with local/regional/national/international regulations.

Refer to the safety data sheet (SDS) for detailed safety, health and environmental information.
