

SECTION 1: Identification			
Product Name	Adhesive Remover	Item Code	ADHESIVQT
Recommended Use	Concentrated cleaner		
Supplier	Next-Gen Supply Group 11 Norfolk Street Mansfield, MA 02048 877-452-6726	Emergency Telephone	
		INFOTRAC: 1-800-535-5053	
SECTION 2: Hazard(s) identification			
Danger		Hazards not otherwise classified or not covered by GHS	
		None	
Hazard Statement	Hazard Class (GHS Chapter)		Hazard Category
Maybe harmful if swallowed and enters airways	Aspiration hazard (3.10)		2
Causes skin irritation.	Skin corrosion/irritation (3.2)		2
Toxic to aquatic life with long lasting effects	Hazardous to the aquatic environment, long-term (4/1) (Chronic)		Chronic 2
Precautionary Statement			
<p>Wash hands, face, and any exposed areas thoroughly after handling. Wear protective gloves, clothing, and eye safety protection. If swallowed, immediately call a poison center, doctor, or emergency medical professional. Do NOT induce vomiting. If on skin, immediately remove all contaminated clothing. Rinse affected areas with plenty of soap and water or shower. Wash contaminated clothing before reuse. If skin irritation occurs, get medical attention. Avoid release to the environment. Collect spillage. Store securely. Dispose of contents/container in accordance with local, state, federal, and international regulations. Offer surplus and non-recyclable solutions to a licensed disposal company</p>			
SECTION 3: Composition/Information on Ingredients			
Chemical identity	Common name, synonyms, etc.	CAS #	%
D-Limonene	Carvene, p-Mentha-1,8 diene, 4-Isoprpenyl-1-methyl-cyclohexene	5989-27-5	4-6

SECTION 4: First Aid Measures

If medical advice is needed, have product container or label at hand.

Necessary measures for routes of exposure	IF SWALLOWED: Immediately call a poison center, 911 or emergency medical service. Rinse mouth. DO NOT induce vomiting.
	IF ON SKIN: Remove contaminated clothing and wash before reuse. Wash affected areas with plenty of soap and water or shower. If skin irritation occurs, get medical attention.
	IF INHALED: Remove person to fresh air and keep comfortable for breathing.
	IF IN EYES: Rinse carefully with water for several minutes. Remove contact lenses, if easy to do, then continue rinsing.
Most important symptoms/effects, acute and delayed.	Acute exposure may cause skin burns/irritation or eye irritation.
Immediate medical attention and special treatment, if necessary	Move victim to fresh air. Immediately call poison center, 911 or medical aid.

SECTION 5: Fire-fighting Measures

Suitable extinguishing media.	Dry chemical, CO ₂ , alcohol resistant foam or water spray
Specific hazards arising from the chemical	None
Special protective equipment and precautions for fire-fighters.	Wear positive pressure, self-contained breathing apparatus (SCBA). Wear chemical protective clothing specifically recommended by the manufacturer. It may provide little or no thermal protection.
Emergency Response Guide Number	NA

SECTION 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures.	Keep away from clothing and other combustible materials. Chemically protective gloves, clothing and safety eyewear are recommended.
Environmental precautions.	Prevent entry into waterways, sewers, basements or confined areas. Collect spillage.
Methods and materials for containment and cleaning up.	Stop leak if you can without risk. Prevent entry into waterways, sewers, basements or confined areas. Absorb or cover with non-combustible absorbent material and transfer to containers. Collect spillage. Contact a licensed professional waste disposal service to dispose of this material.

SECTION 7: Handling and Storage

Precautions for safe handling.	Do not eat, drink or smoke in areas where this product is used. After handling, always wash hands thoroughly with soap and water. Wear protective nitrile gloves, clothing, and eye/face protection. Use only with adequate ventilation/personal protection.
Conditions for safe storage, including any incompatibilities.	Store in secured area. Store containers in a cool, dry, ventilated area. Keep containers tightly closed and properly labeled. Store in original containers.

SECTION 8: Exposure Controls/Personal Protection

Component	CAS #	Type	Value	Basis
D-Limonene	5989-27-5	TWA	20ppm	USA ACGIH Threshold Limit Values (TLV)
Remarks: Eye, skin and upper respiratory tract irritation, Central Nervous System impairment, Lung damage, Sensitizer varies. Not classifiable as a human carcinogen				
Control parameters	Long term exposure may irritate skin and eyes. Avoid skin contact. Handle with nitrile gloves inspected prior to use. Avoid eye contact. Eye protection is required. Collect spillage.			
Appropriate engineering controls	Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and after the workday.			
Individual protection measures	Provide local ventilation. Respiratory equipment is not required. For nuisance exposures use type OV/AG (US) respiratory cartridges. Wear tightly fitted safety goggles or face shield.			

SECTION 9: Physical and Chemical Properties

Appearance	clear liquid	Specific Gravity	1.01-1.03
Odor	citrus odor	Boiling Point	Ca 212°F
pH as delivered	7.5-8.2	Solubility in Water	Complete
Volatile Organic Compound	7-9%	Evaporation Rate	Similar to water

SECTION 10: Stability and Reactivity

Reactivity	No data available.
Chemical stability	Stable under recommended storage conditions.
Possibility of hazardous reactions	No data available.
Conditions to avoid	No data available.
Incompatible materials	Strong oxidizing agents
Hazardous decomposition products	No data available

SECTION 11: Toxicological Information

IARC	3 - Group 3: Not classifiable as to its carcinogenicity to humans (D-Limonene)
ACGIH	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by ACGIH
NTP	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by NTP
OSHA	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by OSHA
Additional Information	<u>D-Limonene CAS 5989-27-5</u> Acute Toxicity: LD50 Oral -rat-4,400mg/kg, Behavioral Change in motor activity,. Respiratory disorder Skin and appendages. Serious eye damage eye irritation. Respiratory or skin sensitization – mouse. Liver – Irregularities based on Human Evidence. RTECS: GW6360000

SECTION 12: Ecological Information

D-Limonene is toxic to aquatic life. No data is available on the mixture.

SECTION 13: Disposal Considerations

Dispose of contents/container in accordance with local/state/federal and international regulations. Collect spillage. Offer surplus and non-recyclable solutions to a licensed disposal company. Contact a licensed professional waste disposal service to dispose of this material. Dispose of contaminated packing as unused product.

SECTION 14: Transport Information

Not regulated for US DOT ground transport.

SECTION 15: Regulatory Information

This material does not contain any components subject to the reporting requirements of SARA Title III, Section 313.
This material does not contain any components subject to the reporting requirements of SARA Title III, Section 302
D-Limonene CAS 5989-27 is a SARA 311/312 Hazard: Fire Hazard, Acute Health Hazard, Chronic Health Hazard

D-Limonene CAS 5989-27-5 is a NJ, PA Right-to-Know chemical

California Prop. 65: This product does not contain any chemical known to State of California to cause cancer, birth defects, or any other reproductive harm.

SECTION 16: Other Information

Revision prepared 06/07/2016 by Gene Ricciardelli in accordance with OSHA 29 CFR 1910.1200, for USA use only.
Previous version dated 11/19/2014.

DISCLAIMER: Whereas the use and handling of this product is not within the control of Next-Gen Supply Group, it is the responsibility of the user to determine the suitability of the product for its intended application. The user assumes all risk and liability for the safe use of the product, utilizing the information provided in this document as a guide. Next-Gen Supply Group accepts no liability for damages or loss incurred from the misuse and mishandling of this product.
