SECTION 1: Identification								
Product Name	MixMate	1 Glass-Ma	te				Item Code	MMSQ1/MM701
Recommended Use Glass, mirror, and sci				reen cleaner concentrate.				
SupplierNext-Gen Supply G 11 Norfolk Street Mansfield, MA 020 877-452-6726			lk Street 1, MA 0204	2049			ergency Telephone DTRAC: 1-800-535-5053	
SECTION 2: H	SECTION 2: Hazard(s) identification							
This product does not contain hazardous				Hazards not otherwise classified or not covered by GH			not covered by GHS	
ingredients as defined in OSHA 29 CFR 1910			CFR 1910.	None None				
SECTION 3: Composition/Information on Ingredients								
No chemicals in this product are subject to the regulatory regulations of SARA 302, SARA 311/312, SARA 313, and California Proposition 65.								
SECTION 4: First Aid Measures								
If medical advice is needed, have product container or label at hand.								
Necessary meas routes of exposi				inse mouth. DO NOT induce vomiting. Drink 16 ounces of water. Call 911 ical professional.				
		IF ON SKIN: Remove contaminated clothing and wash before reuse. Rinse affected areas with soap and water or shower. If irritation occurs, get medical advice.						
		IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call 911 or emergency medical professional if breathing becomes labored.						
		IF IN EYES: Rinse carefully with water for several minutes. Remove contact lenses, if easy to do. Continue rinsing.						
Most important symptoms/effects, acute and delayed.			Acute exp	posure may cause skin irritation or eye irritation.				
Immediate medical attention and special treatment, if necessary			ctim to fresh air. Immediately call poison center, 911 or medical services.					
SECTION 5: Fire-fighting Measures								
Suitable extinguishing media.				Dry chemical, CO ₂ , alcohol resistant foam or water spray				
Specific hazards arising from the chemical				None. Move containers from fire area, if you can without risk				
Special protective equipment and precautions for fire-fighters.				Wear positive pressure, self-contained breathing apparatus (SCBA). Wear chemical protective clothing specifically recommended by the manufacturer. It may provide little or no thermal protection.				
Emergency Response Guide Number				Not applicable				

Personal precautions, procedures. Nitrile gloves and safety eyewear recommended for large spills. Environmental precautions, procedures. Prevent entry into waterways, sewers, basements, or confined areas. Collect spillage. Methods and materials for and materials for the spillage. Stop leak if you can without risk. Prevent entry into waterways, sewers, basements, or confined areas. Absorb or cover with non-combustible absorbent material and transfer to containers. Collect spillage. Contact a licensed, professional waste disposal service to dispose of this material. SECTION 7: Handling and ways wash bands thoroughly with soap and water. Use with adequate ventilation/personal protection. Avoid cross containantiation. Do not eat, drink or smoke in areas where this material is used. After handling, and ways wash hands thoroughly with soap and water. Use with adequate ventilation/personal protection. Conditions for safe storage, including and ways wash hands thoroughly with soap and water. Use with adequate ventilation/personal protection. Store containers tighty closed and properly labeled. Store in original containers of children. SectION 8: Exposure Store containers with good industrial hygiene and safety proventils. Store containers with good industrial hygien and safety reverses instructions. Appropriate engineering controls Provide local-vertilation. Respirator. Equipment is not required. For multand for respirator. Store containers is reverses and eyeewer are recommended but not required. For multand for respirator. Appropriate engineering context with good industrial hygien and safety proves. Stor	SECTION 6: Accidental Release Measures						
Environmental precaduons. spillage. Methods and materials for containers Stop leak if you can without risk. Prevent entry into waterways, sewers, absorb or cover with non-combustible absorbent material and transfer to containers. Collect spillage. Contact a Icensed, professional waste disposal service to dispose of this material. SECTION 7: Handling and Storage Avoid cross contamination. Do not eat, drink or smoke in areas where this material is used. After handling, always wash hands thoroughly with soap and water. Use with adequate ventilation/personal protection. Conditions for safe storage, including any incompatibilities. Store containers in a cool, dry, ventilated area away from sources of ignition and incompatibilities. Keep containers tightly closed and properly labeled. Store in original containers out of the reach of children. SECTION 8: Exposure Control parameters Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and after the workday. Use in accordance with the manufacturer's instructions. Appropriate engineering controls Protective gloves and eyewear are recommended but not required. For nuisance exposures use type OV/AG (US) cartridges in respirator. Individual protection measures Blue transparent liquid Specific Gravity 1.01-1.02 Odor Lavender fragrance added Boiling Point Ca 212°F Odor threshold No data available Solubility in Water Complete PH at use dilution				Nitrile gloves and safety eyewear recommended for large spills.			
Methods and materials for containment and cleaning up. basements, or confined areas. Absorb or cover with non-combustible absorbent material and transfer to containers. Collect spillage. Contact a licensed, professional waste disposal service to dispose of this material. SECTION 7: Handling. Void cross contamination. Do not eat, drink or smoke in areas where this material is used. After handling, always wash hands thoroughly with soap and water. Use with adequate ventilation/personal protection. Conditions for safe storage, including any incompatibilities. Store containers in a cool, dry, ventilated area away from sources of ignition and incompatibile materials. Keep containers tightly closed and properly labeled. Store in original containers out of the reach of children. SECTION 8: Exposure totols/Personal Protection. Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and after the workday. Use in accordance with the manufacturer's instructions. Appropriate engineering ontrols Provide local ventilation. Respiratory equipment is not required. For nuisance exposures use type OV/AG (US) cartridges in respirator. SECTION 9: Physicater toter available. Specific Gravity 1.01-1.02 Odor Lavender fragrance added Solubility in Water Canglete Appearance Blue transparent liquid Specific Gravity 1.01-1.02 Odor Lavender fragrance added Solubility in Water Complete pH at concentrate 12-13	Environmental precautions.						
Precautions for safe handling. Avoid cross contamination. Do not eat, drink or smoke in areas where this material is used. After handling, always wash hands thoroughly with soap and water. Use with adequate ventilation/personal protection. Conditions for safe storage, including any incompatibilities. Store containers in a cool, dry, ventilated area away from sources of ignition and incompatible materials. Keep containers tightly closed and properly labeled. Store in original containers out of the reach of children. SECTION 8: Exposure controls/Personal Protection Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and after the workday. Use in accordance with the manufacturer's instructions. Appropriate engineering controls Provide local ventilation. Respiratory equipment is not required. For nuisance exposures use type OV/AG (US) cartridges in respirator. Individual protection measures Protective gloves and eyewear are recommended but not required when used as directed. SECTION 11: Toxicological Information				
IARC	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible, or confirmed human carcinogen by IARC			
ACGIH	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible, or confirmed human carcinogen by ACGIH			
NTP	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible, or confirmed human carcinogen by NTP			
OSHA	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible, or confirmed human carcinogen by OSHA			
Additional Information		None available on this product.		

SECTION 12: Ecological Information

No data is available on this product.

SECTION 13: Disposal Considerations

Dispose of contents/container in accordance with local/state/federal and international regulations. Collect spillage. Offer surplus and non-recyclable solutions to a licensed disposal company. Contact a licensed professional waste disposal service to dispose of this material. Dispose of contaminated packing as unused product.

SECTION 14: Transport Information

Not US DOT regulated for ground transport

SECTION 15: Regulatory Information

This material does not contain any components subject to the reporting requirements of SARA Title III, Section 313. This material does not contain any components subject to the reporting requirements of SARA Title III, Section 302. This material does not contain any components subject to SARA 311/312.

California Prop. 65: This product does not contain any chemical known to State of California to cause cancer, birth defects, or any other reproductive harm.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

SECTION 16: Other Information

Prepared 11/08/2022 by Gene Ricciardelli in accordance with OSHA 29 CFR 1910.1200, for USA use only.

DISCLAIMER: Whereas the use and handling of this product is not within the control of Next-Gen Supply Group, it is the responsibility of the user to determine the suitability of the product for its intended application. The user assumes all risk and liability for the safe use of the product, utilizing the information provided in this document as a guide. Next-Gen Supply Group accepts no liability for damages or loss incurred from the misuse and mishandling of this product.
