

SECTION 1: Identification			
Product Name	MixMate 8 Gloss-Mate	Item Code	MMSQ8/MM708
Recommended Use	A mop-on cleaner and conditioner concentrate for use prior to high-speed buffing.		
Supplier	Next-Gen Supply Group 11 Norfolk Street Mansfield, MA 02048 877-452-6726	Emergency Telephone	
		INFOTRAC: 1-800-535-5053	
SECTION 2: Hazard(s) identification			
Warning		Hazards not otherwise classified or not covered by GHS	
		None	
Hazard Statement	Hazard Class (GHS Chapter)		Hazard Category
Causes skin and eye irritation	Skin irritant(3.2) and serious eye irritant (3.3)		2(skin)/2B(eye)
Precautionary Statement			
<p>Wash hands and face thoroughly after handling. Do not eat, drink or smoke when using this product. Wear eye/face protection and nitrile gloves. If swallowed, rinse mouth. Call a medical professional if you do not feel well. If on skin wash with plenty of water. If irritation persists, seek medical attention. Remove contaminated clothing and wash before reuse. If in eyes, rinse carefully with water for several minutes. Remove contact lenses if easy to do. Continue rinsing. If eye irritation persists, seek medical attention.</p>			
SECTION 3: Composition/Information on Ingredients			
Chemical identity	Common name, synonyms, etc.	CAS #	%
Nonionic Surfact Blend		Proprietary	3-5
SECTION 4: First Aid Measures			
If medical advice is needed, have product container or label at hand.			
Necessary measures for routes of exposure	IF SWALLOWED: Harmful if swallowed. Rinse mouth. Call 911 or emergency medical service.		
	IF ON SKIN: Remove contaminated clothing and wash before reuse. Rinse affected areas with plenty of soap and water or shower. If irritation occurs, get medical attention.		
	IF INHALED: Remove person to fresh air and keep comfortable for breathing.		
	IF IN EYES: Rinse carefully with water for several minutes. Remove contact lenses if easy to do. Continue rinsing.		

SECTION 4: First Aid Measures (continued)

Most important symptoms/effects, acute and delayed.	Acute exposure may cause drowsiness, nausea, breathing difficulty, skin irritation or serious eye irritation.
Immediate medical attention and special treatment, if necessary	Move victim to fresh air. Immediately call 911 or a medical professional.

SECTION 5: Fire-fighting Measures

Suitable extinguishing media.	Dry chemical, CO ₂ , alcohol resistant foam or water spray
Specific hazards arising from the chemical	None
Special protective equipment and precautions for fire-fighters.	Wear positive pressure, self-contained breathing apparatus (SCBA). Wear chemical protective clothing specifically recommended by the manufacturer. May provide little or no thermal protection.
Emergency Response Guide Number	Not available

SECTION 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures.	Chemically protective gloves, clothing and safety eyewear are recommended.
Environmental precautions.	Prevent entry into waterways, sewers, basements or confined areas. Collect spillage.
Methods and materials for containment and cleaning up.	Stop leak if can be done without risk. Prevent entry into waterways, sewers, basements or confined areas. Absorb or cover with non-combustible absorbent material and transfer to containers. Collect spillage. Contact a licensed professional waste disposal service to dispose of this material.

SECTION 7: Handling and Storage

Precautions for safe handling.	Do not eat, drink or smoke in areas where this material is used. After handling, wash hands thoroughly with soap and water. Nitrile gloves and protective eyewear is recommended. Use only with adequate ventilation/personal protection.
Conditions for safe storage, including any incompatibilities.	Store containers in a cool, dry, ventilated area away from sources of ignition and incompatible materials. Keep containers tightly closed and properly labeled. Store in original containers.

SECTION 8: Exposure Controls/Personal Protection (continued)

Control parameters	Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and after the workday. Avoid skin and eye contact with this product.
Appropriate engineering controls	Provide local ventilation. Respiratory equipment is not required. For nuisance exposures use type OV/AG (US) respiratory cartridges. Wear tightly fitted safety goggles or face shield.
Individual protection measures	Long term exposure could irritate skin and eyes. Nitrile gloves must be inspected prior to use. Safety eyewear is required.

SECTION 9: Physical and Chemical Properties

Appearance	Clear orange liquid	Specific Gravity	1.02-1.05
Odor	No fragrance added	Boiling Point	Ca 212°F
pH concentrate	2.3-3.5	Solubility in Water	Complete
pH at (1:300) use dilution	4.5-4.8	Evaporation Rate	Faster than water
pH at (1:64) use dilution	6.8-7.0	Volatile Organic Compound	0%

SECTION 10: Stability and Reactivity

Reactivity	No data available.
Chemical stability	Stable under recommended storage conditions.
Possibility of hazardous reactions	No data available.
Conditions to avoid	No data available.
Incompatible materials	Oxidizers and acids,
Hazardous decomposition products	No data available

SECTION 11: Toxicological Information

IARC	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by IARC.
ACGIH	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by ACGIH
NTP	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by NTP
OSHA	No component of this product is present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by OSHA
Additional Information	None known

SECTION 12: Ecological Information

No data available on the mixture.

SECTION 13: Disposal Considerations

Dispose of contents/container in accordance with local/state/federal and international regulations. Collect spillage. Offer surplus and non-recyclable solutions to a licensed disposal company. Contact a licensed professional waste disposal service to dispose of this material. Dispose of contaminated packing as unused product.

SECTION 14: Transport Information

Not US DOT classified for ground transport

SECTION 15: Regulatory Information

No chemicals in this mixture are subject to the reporting requirements of SARA Title III, Section 302
No chemicals in this mixture are subject to the reporting requirements of SARA Title III, Section 311/312.
No chemicals in this mixture are subject to the reporting requirements SARA Title III, Section 313.

California Prop. 65: This product does not contain any chemical known to State of California to cause cancer, birth defects, or any other reproductive harm.

Green Certification Statement: This product meets Green Seal™ Standard GS-53 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

SECTION 16: Other Information

DISCLAIMER: Whereas the use and handling of this product is not within the control of M.D. Stetson Company, Inc., it is the responsibility of the user to determine the suitability of the product for its intended application. The user assumes all risk and liability for the safe use of the product, utilizing the information provided in this document as a guide. M.D. Stetson Company, Inc. accepts no liability for damages or loss incurred from the misuse and mishandling of this product.
