

Squeeze 'N' Pour

PRODUCT DATA SHEET

22 WINTERCLEAN 365

All Season Floor Cleaner & Winter Salt Remover

Use year-round for your neutral floor cleaning needs. An all-purpose cleaner used to condition floors and remove ice melt residue, hard-water build-up, and soap haze from all surfaces. Designed to dissolve all ice melt chlorides, soap and hard water films as well as scum, scale, and other organic residues. When used as directed, it will not harm any surface not affected by water. Concentrated and economical to use.

DIRECTIONS FOR USE

Dilute with cold water.

Recommended dilution 1:128.

For use as a neutral cleaner:

1. Add 2-4 ounces of Winterclean 365 to 1 gallon of cold water.
2. Wash floor using a damp mop. Change solution as needed. No rinse required.
3. If using Winterclean 365 in an automatic scrubber use 2-4 ounces per gallon of cold water.

For use as a pre-finish neutralizer after stripping or deep scrubbing:

1. Use the same as above.
2. Wait until floor has dried before applying floor finish.

For buffing programs:

Use Winterclean 365 at recommended dilutions on days with no scheduled buffing. On days scheduled for buffing, for best results, apply a maintainer/restorer prior to buffing.

Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.

SPECIFICATIONS

pH as provided	11-12
pH at use dilution	8.5-9.5
Color	Blue
Odor.....	Wintergreen
Water Solubility	100%
Specific Gravity	1.01
VOC.....	0%

Recommended personal protection:

Protective gloves and eyewear are recommended but not required when used as directed.

Recycling container recommended. Dispose of unused concentrate in accordance with local, state, and federal regulations.

The consequences of improper use or improper dilution are residue buildup or reduced effectiveness, as well as an increased risk of adverse health effects.
