

Squeeze 'N' Pour

PRODUCT DATA SHEET

8 GLOSS-MATE Clean & Burnish Floor Cleaner/Restorer

An ideal companion product for use with any high speed maintenance program. Regular use of this product keeps floors looking great day after day. Special proprietary ingredients bond to the surface of the floor to create an anti-slip surface, making it ideally suited for nursing homes, supermarkets, hospitals, schools and other public areas. This product effectively cleans the floor and restores floor finish. Highly concentrated for economical use dilutions, it can be mopped on or used through an automatic scrubber. Once the product dries to a haze, use a high speed burnisher to "pop" the gloss to a brilliant shine.

DIRECTIONS FOR USE

Dilute with cold water.

Recommended dilution is 1:64.

AUTOMATIC SCRUBBER OR MOP BUCKET: Dust mop all flooring and remove gum and adhesives. Apply a thin, even coat on the surface. Do not pickup solution. Allow to dry thoroughly. Burnish all flooring to restore the floor to the ultimate "wet look" shine with a burnishing pad.

NOTE: Don't allow restorer solution to remain in the auto-scrubber tank. Drain and rinse.

Recommended personal protection:

Neoprene or nitrile gloves. Splash proof safety goggles with side shields.

The consequences of improper use or improper dilution are residue buildup or reduced effectiveness, as well as an increased risk of adverse health effects.

SPECIFICATIONS

- pH as supplied ..... 2.3-3.5
pH at use dilution ..... 4.5-4.8
weight/gallon ..... 9.80 lbs.
color ..... orange
odor ..... no fragrance added
storage stability ..... 2 years unopened
