

PRODUCT CENTRAL 117 WINTERCLEAN 365

Product Central 117 Winterclean 365 is a neutralizing floor cleaner, suitable for use year-round, specially formulated to remove residues from harmful and unsightly de-icing salts. Safe for use on all types of floors. Built-in detergent fortifiers aid in the removal of winter grime and soil without damaging the floor finish. Winterclean 365 can also be used as a fail-safe neutralizer after stripping a floor and prior to coating with floor finish. No rinsing is required
