Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.

DIRECTIONS FOR USE:

Dispense automatically with all Product Central Express Dispensers.

Carpet Cleaning

Extraction Method: Dispense low flow into a pump-up or electric sprayer. Liberally spray carpet or upholstery and let soak for 10 minutes. Rinse extract. Do not use extraction shampoo.

Rotary Spin Cleaning: Dispense high flow into a bucket. Submerge spin cleaning pad into the bucket. Wring out excess liquid then spin clean carpet area.

Spot Removal: Dispense low flow into a spray bottle. Liberally spray the spot directly. Tamp area then rinse extract or blot. Refer to spotting guide.

Note: Use a carpet dryer after each method.

Hard Surface Cleaning

Grouted Floors: Dispense high flow into bucket. Mop on then scrub with buffer or deck brush. Wet vac or squeegee into drain.

Hard Surfaces: Dispense low flow into spray or squirt bottle, or dispense directly with the Product Central Foaming Gun. Apply to walls, furniture, doors, showers, counters, drinking fountains, restroom fixtures and almost any hard surface. Wipe the surface using a sponge, wiper or paper towel.

Glass/Mirrors: Dispense low flow into a spray bottle. Apply sparingly to the glass or mirror. For best results remove with a microfiber cloth or pad.

Improper use or dilution may increase the risk of health effects and affect product effectiveness.
