

# PRODUCT CENTRAL 126 BIO-MATE

A high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester. Ideal for cleaning concrete, ceramic tile, quarry tile, grout, brick and rubber mats with floor machine or mopping. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to minimum.

Packaging	½ gallon	
Shelf Life	18 months unopened	

**Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.**

**Recommended personal protection:**

Protective gloves and eyewear are recommended but not required when used as directed.

Recycling container recommended. Dispose of unused concentrate in accordance with local, state, and federal regulations.

**DIRECTIONS FOR USE**

**Dilute with cold water.**

**Caution:** Do not mix or use this product with acid, alkaline, or product containing bleach. For use on floor only. Do not use on food contact surfaces.

For light soil, use with an auto scrubber or damp mop. No rinse is required.

For normal to heavy soil, including grease, damp mop or auto-scrub surfaces. No rinse required.

For deep scrubbing floors coated with floor finishes, apply the solution with an autoscrubber without the vacuum system and the squeegee in the up position. Double scrub the area then vacuum up the solution.

For deep scrubbing floors coated with floor finishes with manual equipment apply the solution with a mop or applicator. Double scrub the area with a floor machine and then pick up the cleaning solution from surface with clean mop or wet-vacuum.

For general all purpose spray and wipe cleaning on most hard surfaces, spray on surface, let dwell and wipe clean with a cloth or paper towel. No rinse is necessary.
