

PRODUCT DATA SHEET

GREASE TAMER

A ready-to-use, heavy duty detergent, formulated to breakup and emulsify multiple layers of grease and fat residues on food preparation surfaces, equipment and floors. Completely cleans surface without the use of harsh alkalis or solvents. Safe for all washable surfaces. Phosphate-free and biodegradeable.

DIRECTIONS FOR USE:

Prior to use, protect or remove all food and packaging materials from area to be cleaned. Ready-to-use, Grease Tamer can be used on all washable surfaces in the food processing area (including equipment, walls and floors). If used on food prep areas, a potable rinse must follow.

Apply by cloth, sponge, mop, sprayer or pressure washer. Let solution stand a few minutes or agitate surface with a scrub brush if necessary. A potable water rinse must follow all cleaning procedures.

Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.
